“ My mother-in-law was so much more to me than just that. She was a friend, confidant, someone to laugh with and cry with. Her heart was large enough to love more than just her immediate family. She was “Mom” to most of the friends of her seven kids during the growing up years and remained a big part of the lives of most of them. She was to me my second mother, never calling me daughter-in-law, but another daughter in her already huge family. She is dearly missed and her passing leaves a great hole the lives of many. God's love and blessings to those she leaves behind. Lois

“ Aunt Betty was a good friend. She always knew what each of her kids and grandkids were doing and loved to talk about them. She had a prayer list as long as your arm that she prayed for every day and I was her prayer partner in agreement. Awesome Lady. I love you guys and pray for you daily. Kay

“ I considered Betty as my second Mother. She loved me as a daughter not a daughter in law even after our divorce. We made each other laugh at our memories. I always loved doing something special with her, like wine tasting and free champagne concerts. She loved her grandchildren and great grandchildren dearly and always lit up with pride at their pictures and visits. I will always remember her dearly and miss her deeply. My heart aches for her presence but the knowledge that I know I will see her again in heaven gives me comfort. Now she will always be beautiful, healthy and happy with Norm at her side. With all my Love and blessings to the Family. Michele

“ Mommy I don't know what I'm going too do without you. You always said I was your rock but really you were mine. People say we were attached at the hip & isn't that true. I know you are with Daddy'o now and Scotty & Grandma Foley but we really miss you. You were the best mom grandma anyone could have! I know you are breathing freely now & dancing with dad! I love you mom!
