“ When I remember my Aunt Betty, I remember a warm, loving, generous, kind, woman who played a huge role in my life. She was always such fun and light-hearted. She loved her family and gave away all she had to anyone in need, including her heart. The memory that makes me smile most is one with her sister, my grandma, Mary Cori, when they went shopping together...we called them the "snop sisters" because they always got in some sort of situation that ended in big laughs. Aunt Betty will be remembered as a kind and gentle soul who will remain in every heart she touched because she influenced everyone around her in a positive and loving way. I will miss her so much, yet I know her spirit will remain with me forever. And I am blessed to know her.
