I just wanted to take out the time to express my condolences. My name is Alisa. I used to take care of Liz's father at Bortz Health Care. I got to know her at that time. Every time I saw her she gave me the biggest hugs. I loved it! Her energy was refreshing! I reached out to her at Christmas time and she shared with me that she had been battling Cancer. But on the brighter side, she now had 2 beautiful grandchildren. I was so excited for her, but even more excited for them. I knew that she would be the best grandma to these little sweeties! I was just getting ready to look up her address to share with her, that I too had recently had a little sweetie of my own. I wasn't expecting this. My heart is so heavy right now. I pray that all of you find comfort in knowing that Liz Isn't suffering anymore. God bless you all.....Alisa

“ Thank you, Liz for all the fun and laughter shopping Petosky while our men sailed and won the Mackinac and other sailing regattas. You know my \$5 upside-down logo sailing jacket was the deal of the century and you were the deal of the century sailing friend. I wish we could share more time together. See you in heaven someday. We will shop and you will make me laugh again. David sends his love to you and Kevin and we both send hugs to you, Kevin and all your family, Liz. Peace and much love....Louanna and David Hudgel xo
