“ I am sorry to hear of Elizabeth's passing. I am a volunteer at Cherrywood Nursing home, we hold a church service every Friday night and Elizabeth would often come. Kathy and I both used to work for the same company, and I recognized the last name. God bless you and your family. God bless your family.

“ I didn't have the opportunity to get to know Mrs. Gauronskas due to proximity, but, my sister in law, Mary Lynn certainly has some of her amazing characteristics in raising wonderful children, love of family, a giving attitude and thinking of others. From what I did see, she was an incredible Mom and loved her family the most. May all of her memories cascade through her children to her grand children and beyond. Sending positive energy, love and hugs to her family. Love to all, Kimberly Lehouiller

“ *I'm not sure I would describe "Bingo" as a sport, but if it was, Betty would have been the MVP of any Bingo Bowl. I went once.....and learned my lesson - at age 35 I could barely keep track of six cards, at age 60 - Betty could keep track of her twelve cards, my six and anyone else within viewing range. Although it wasn't my passion, I could see she loved it, had a great time and looked forward to seeing her "buddies" (competition) every evening she played, heck - she was also pretty darn lucky as most often came home with her piggy bank fuller than when she started. I'm sure her winning ways have continued, she's probably even coerced Ed into a game or two by now. Thank you for the memories. With love - Scott Lehouiller.*
