“ Dear Sylvia, Sue and Peter It is with sadness that I am writing you today. Unfortunately I am unable to be with you physically but I am with you all in spirit today. I have many wonderful memories of my Godmother-your mother û going for ice cream sundaes at the dairy bar down the street from your home near Gratiot, many Christmas dinners with hours of playing together, dancing at the Strauss Ball your motherÆs favorite I think and many sleepovers. I know your mother is at peace and is no longer suffering. ôThose we love are never really lost to us-- we feel them in so many special ways-- through friends they always cared about and dreams they left behind, in beauty that they added to our days... in words of wisdom we still carry with us and memories that never will be gone... Those we love are never really lost to us-- for everywhere their special love lives on.ö Take Care and I hope to see you soon. Love Rita

“ Sylvia, Susie and Peter : Your mom was like that fun aunt to me. I still remember some of my overnight visits in the early days before you were born. She was always really good to me. She wanted children so badly. You three meant everything to her. She will be greatly missed. Your mom accomplished a lot and showed much courage and ambition. She raised three beautiful children and started her own successful business. Remember the good times with your mom. I'm very sorry for your loss. Eleonora Mayer
