“ Grandma, Although I did not see you for the last years of your life, that was not out of neglect or desire to. My memories of you are precious to me, and I choose that route to preserve them that way-A loving, fun, kind, strong, caring grandmother who I used to love visiting. Some of the best memories I have as a child are visiting you and Grandpa Litzen, of you buying me and Ian a six pack of soda each when Mom and dad had left to go out for the evening. I love you, and wish you could have been here to meet your great-grandsons, I know they would have loved you as much as I do. I do not grieve with you passing though, I am glad, because I know you are with your Lord, Savior and Creator Jesus Christ, in perfect Peace, Happiness and Joy, no pain, only perfection. I look forward to one day seeing you again one day.

“ Hi Cousins: We were very sorry to hear about Aunt Betty and will keep her and your families in our prayers. Our memories of Aunt Betty were all good ones. We especially remember her great smile. We are out of town and unable to attend services; but know that we will have all of you in our thoughts and prayers. Your cousins Donna and Jackie

“ Miss you already Grandma. You were a strong woman and kind companion to those who knew you. You were a lover of nature and animals---that's probably where I get that from. Best of all, you gave me a great Dad. I know you're at peace now, strolling through the woods hand and hand with Grandpa, watching the deer. You were a beautiful person and I love you. I feel comforted knowing you have your wings now.
