“ Elizabeth Ramee and I were members of Eta Tau, a chapter of Delta Kappa Gamma International, an honorary organization for women educators. Elizabeth was initiated into our chapter in 1971 and held various chapter offices over the years. She was president of our chapter from 1982 - 1984 and was awarded the Chapter Achievement Award in 1983. I will always remember Elizabeth as a very gracious and elegant lady who did absolutely beautiful needlework. We will miss her!

“ I am the daughter of Lillian Nay. She was Elizabeth's "roommate" at Seton Hospital, 8th floor. They became such good friends. They were going to write a book together and title it "Where Is It At?" Their way of trying to cure the incorrect grammar that drove them both crazy. Elizabeth was a loving and caring woman and I thank her for the hours she spent making my mom more comfortable in that hospital. Elizabeth died seven months to the day after Mother. I shall think of her often. I wish I could have come to the memorial service but obligations at the university prevented it. Bless you in your grief. Martha Hilley
