“ Andreas & Steve, I just wanted to thank you both for sharing your mother with us at Oakmont Sterling. I know she's enjoying being an angel because she's so much closer to the warmth of the sun and happy. Although we can not see her she will always remain in our hearts. I will miss her!

“ To our entire family, Oma instilled and demanded! a "sense of family" in us that most families do not understand. I was so proud to see the love, support, and commitment displayed on Monday, the 9th - when every Michigan member of the Schuchmann family was in her room to be with her. She knew. And I'm sure she left this world with the thing that was most precious to her - the love of her family. She was able to take her last breath on the 10th in peace. You are the best. Love, Heidi
