“ *Al and family, we were sorry to hear about the passing of your mother. We hope you and your family will now look back and remember all of the fond and memorable times you shared. The Lord thought it best to call her home. May she be at peace. Barbara and Wally*

“ *My second cousin Bette got to be a good friend at the Sauer reunions. She was a big help to me in learning family history, and especially in identifying people in family pictures. Her memory amazed me. I have missed her these last few years, but will forever be grateful to her for all her help. As best I can figure, we're now down to 21 in our generation of the Sauer family, which is about 1/3.*
