“ Dear Wm (George), Sue, David, Doug & Family,

I was heartbroken when I got the news from mom that Ella had passed away from what I understand to be a simple fall! I'm so sorry I missed the funeral but our aunt two blocks away also died the same day. And there was a mixup in the times so I missed the funeral.

As I've sat and thought about Ella with age I can look back and think about her smile and the twinkle in her eye. Now when I looked back at it I realized it was a mischievous sparkle in her eyes and smile that lit up everything!!

I know she will be greatly missed but please keep this thought in your heart and mind.

Those we love don't go away, they walk beside us everyday. Unseen, unheard but always near still loved, stills missed and very dear.

“ *Bill and family,*

We are devastated by the sudden passing of Ella. Our Amelia neighborhood will not be the same without her. It was wonderful having her as a neighbor for 49 years and watching our children grow up together. Her smile was always warm and welcoming. Our hearts go out to all of you and we will keep you in our prayers.

Love and prayers,
