“ Neil Sorry to hear of your loss. I never met Ellen but if she could put up with you she must have been an Angel. Keep your eyes looking up and think good thoughts. Rick

“ Neil and family... Ellen was a member of the SE Michigan ATC club and she brought so much to our group. She shared her knowledge and ideas generously and was always willing to try something new. Her zest for life was apparent so the news of her passing has been difficult to accept. I and the other members of our little group will miss her so much and are planning an honorarium in her memory. Thank you for keeping us up to date on the course of her hospitalization; you and she have been prayed for and thought of so much during these difficult days. I hope it brings you some measure of comfort. May God bless you with His peace.

“ Neil, your Ellen was a gem. I enjoyed being in the MCR ATC club with her. She was very talented and very kind. About a year ago, she gave me a beautiful piece of fabric that she created from fused materials and fibers, I will cherish it always. I am so sorry for your loss. God bless you.

“ I knew Ellen from my Artist Trading Card ATC group. Every time I saw her walk in, it made me happy because she brought so much to the group. I looked at all the ATCs I traded with her last night, and was grateful to have know her and to have a part of her left with me. I will miss her dearly.
