“ I am so sorry to lose one of my favorite aunts. As a child I remember going to the house on 12 Mile and hiding in the garden or in the fruit trees. Now instad of looking up at me in a tree, I'm sure she is looking down from Heaven at us.

“ *We love you and miss you grandma, I'm glad you are spreading your wings with grandpa in heaven. Your influence in our lives will reflect every day; you were a shining example of a wife, mother, and caregiver to your family. I hope to one day find the love and commitment you had with grandpa, and to relay the knowledge you instilled upon us. We love you grandma, Cristina & Taryn*
