Elliott "Peter" Sherman

July 9, 1948 – March 14, 2025

Elliott "Peter" Sherman of Berkley, MI, age 76, passed away peacefully on March 14, 2025 with loved ones by his side.

Peter was born in Detroit, MI on July 9, 1948, son of the late George and Anna Lyle (Spain) Sherman. He graduated from Redford High School, Class of 1966. While attending Wayne State University, Peter played guitar with a few local bands, his strong interest in music growing as he enjoyed just about every show at the famed Grande Ballroom.

The artistic / creative side of Peter continued as he became a jewelry designer. During that time, he traveled to South America and Europe, and spent time living in both California and Florida.

Peter's career grew from working for a small graphic design & marketing studio in Southfield. Within a couple years this became his business; Architectural Images under Peter's leadership was born. Clientele was primarily new construction home and commercial builders in Metro Detroit. Peter joined the Builders Association and developed quite a network. With a terrific, productive support team, Architectural Images took off. Many of you

know Peter from his "moonlighting" job as Doorman at the ever popular 80's bar, Woodward Juke Box. The very friendly and social Peter Sherman was perfect for the role!

Peter's passions included waterskiing & boating, music & comedy shows, Cadillac sports cars, Woodward Dream Cruise, cooking, spending time with family and friends and traveling to particularly loved spots annually: the South Jersey Shore, Mackinaw Straits area and Puerto Vallarta, Mexico.

Peter is survived by his wife, Sally Sherman; step-daughter Andrea Watson (Jay), step-son Stevey Hagerman (Lauren); 2 nieces, Erin McCann, Meredith Costopolous; step-grandson Arlo Watson and step-granddaughter Lola Hagerman; 3 cousins Susan Tower, Nan Bernstein, Marcia Bernstein; 2 beloved feline companions, Alice & Vinny; and so many other loving family members and dear friends.

He was preceded in death by his parents George and Anna Lyle Sherman, sister-in-law Leah Graff; 3 cousins, John Tower, Mary Marling and Sue Conklin.

A Summer Celebration of Life will be announced at a later date.

If desired, memorial donations may be made to Michigan Humane.

“ Dearest peter,
Its been a year since your untimely passing. I think back to all the good times we shared as a family and all the friends u have and had. But yet i don't recognize the names on here that pay tribute. Strange bc i am part of ur family

Such as ur wife, your step children, my sister and her live in, anyone really and i have to wonder why

And then i think back to when u were sick in the hospital with your first stroke and my cousin sah called me all upset bc the self proclaimed death doula aka nan Bernstein freed was trying to have her cousin sally pull the plug on you.

Seemed very odd then as it does now too. I have a clearer understanding and perhaps discernment concerning that evil witch now after the pure hell she has put me through with that crappy author/retired reporter of nyt/spy barry Meier. Anyway, enough about me...

I think cousin nan may have had a hand in ur death unfortunately. As she did her husband's perhaps allegedly and her sister elaine and possibly my mom even. She takes her satanic death 🗿 doula 'job' quite seriously right

Anyway i cant prove a thing of course but i have The sneaking suspicion I got after Sally said she was just settling your esstate and Nan would be around and that I was not welcome in the home that U2 shared. Actually, you're home. Anyway, she is my aunt and Nan is her cousin, and they both told me how their mothers tried to abort them when they were still in the womb womb. I don't know really what my point is Peter, but a lot of really bad shutt has gone down ever since u passed away and I have been searching for answers. Or maybe the answers just keep coming to me because Nan just

won't quit.
