“ *Patty and Kateri -- We were saddened to learn of the passing of Uncle Bud. He was a typical HAHN ... Honest, a good provider, a wonderful husband, father, grandfather, great grandfather, uncle and friend. We visited him at his home with our grandson and enjoyed his fishing stories and how he, and his grandson, loved the sport. We will be unavailable to attend the visitation and/or funeral as we have, a year ago, committed to an outing with 5 other couples, leaving early tomorrow and returning Thursday pm. You will be in our thoughts and prayers and we will be "with you" tho not physically. Please know that he is in a better place, with his loved ones and without pain.*
