“ *Dear Fear Family...we truly loved Elmer as a fine man and caring friend. I knew him for almost 45 years and I feel blessed for the relationship we had. My wife, Jo, only met him a few years ago, but she too, feels as if she lost a good friend. We have such fond memories of the many times we visited Elmer and Lou and they have been - and will always be - in our prayers. God's blessing upon all of you in your loss. Jim and Jo Straub*

“ Dear Dave and Fear family, Your dad was one of nicest and kindness men that I have ever known. In the years that I worked with him, I respected him probably more than anyone else at the Tech Center. I will ALWAYS remember him. Jim Stawasz

“ Dave & Family, I remember your Father well during the years I worked at the Tech Center. He was one of the nicest guys and I always enjoyed when he'd stop at the machine I was running to chat a while. I'm sure he'll be greatly missed. I was a MMM in the machine shop.
