

Eloise Peace

March 17, 1942 - April 8, 2020

Eloise "Dusty" Peace, age 78, passed away on April 8, 2020. She was born on March 17, 1942 in Pikeville, KY to Edgar and Mabel Maynard. A longtime resident of Hazel Park, she was employed at Stanley Door Company as an inspector. Dusty got her nickname because of the color of her hair. She loved to sew, cook and go camping. Her travels took her to favorite places like the Grand Canyon, Key West and the Great Smokey Mountains. Her favorite time was spent being with her family! A caring and thoughtful person, Dusty was the type that always put everyone else first.

She married the love of her life, Jerry Peace on July 15, 1960 in Detroit. Loving mother of Kelly Ray (Susan) Peace and Jerry Lee (Susan) Peace. Proud grandmother of Kelly (Crystal) Peace, Jr., Kristy (Chris) Ratliffe, Ryan Peace and Megan Peace. Great grandmother to Isabelle, Carson and Melissa. Dear sister of Glenn Maynard, Sandra (Clifford) Peace, Bonnie (Gary) Suits, Jackie Walden, Eddie (Toni) Maynard, Donna (Jimmy) Hughes and the late Ronnie (the late Edna) Maynard.

Dusty's family will be having visitation on Saturday, April 11, 2020 from 10:00 a.m. until the time of the funeral service at 11:30 a.m. at the Wm. Sullivan and Son Funeral Home, 705 W 11 Mile Road (4 blocks E of Woodward), Royal Oak. She will be interred at White Chapel Cemetery in Troy.

Due to COVID-19, we are following CDC guidelines and limiting gatherings to 10 people at a time.

Our Sweet Eloise

Some folks called her Dusty, and most folks called her friend.
But to those of us who loved her, Eloise was was sweet until the end.
She had a loving mother, father, sisters, brothers.
She was so good to her family, and great to all the others.

Her mother was my Aunt. I remember her so well.
My mother was her sister and I loved my loved to hear her tell.
Stories of their childhood, my cousins all around.
Life was fun back in the fifties, happiness abound!

She had a loving husband and loving sons so true.
Grandchildren came and loved on her, neices, nephews too!
She found the Lord and praised His name. A joyful spirit came.
She shared her faith when troubles came, Oh Praise His Holy Name!"

Sickness came and trials arose, but Eloise was wise.
She knew who she would turn to, as she looked into your eyes.
"I will call on Jesus". "I will call upon his name."
"He shall give me victory. "I shall never be the same!"

So God told her to listen, to His still small voice.
An angel will be with you, when you make this choice.
She answered when she heard him say "tis, time for you to go."
"Farewell my dear." How I loved you....I think you know."

So Dusty now has left us. Eloise our dearest.
Remember days we shared with her. Days when she was nearest.
She lives today in Paradise. This I think you know.
Sweet Eloise "we miss you." " We hate to see you go!"

“ I always loved seeing Dusty and Jerry at Peace family gatherings at my Uncle Cork and Aunt Helen's house. I loved the way that generation visited, laughed, told stories, played horseshoes, sang gospel and country songs and just interacted with each other. We've lost another treasure on this side of eternity but we know she is in a phenomenal place in the presence of Jesus!

“ One specific memory I have of granny was every time I would spend weekends with Mama granny (next door AND across the street) I would always wander over to granny and papas house to say hi. It wasn't everyday that you could visit your grandparents AND your great grandma at the same time during the same visit!!! Every Sunday before I went home, me, granny and Mama granny would always go grocery shopping together at Value center. It was the highlight of my weekend visit but also made me sad because then I knew when we came home it was time to go home til next time. Granny always enjoyed having people around. Especially during holidays. She was always proud of all of her grandkids and their accomplishments, no matter how big or small. And any time a phone call or a visit ended, it was always ended with not only I love you (including the entire family) but topped off with "you guys come over when you can" she loved her great grandkids and was thrilled to welcome Chris and Melissa to our family with open arms. I will forever love you and appreciate you so much for that. Please be at peace and I'm happy to know you're OK now. I know you're with mama granny and she is on cloud 9 since you're together. Til we meet again granny. I love you. We all do! ❤️

“*My Mom was a amazing person. Never putting herself first. It was always how are you doing or how are you feeling. I always could count on her for advice when I had a problem or in a situation. She was always there for advice. A beautiful woman married to a great Dad for nearly 69 years. I've got many fond memories of places we went as a family and all the nice dinners and lunches we all enjoyed. She's a one-in-a-million woman. One time we was leaving a drug store on John-R and a car load of guys whistled at my Mom. I about crapped and said that was all for you Mom. She said laughing don't tell your Daddy. Well he knows now lol. I've always loved and respected you and always will. You love and compassion has been given to me and I've given it to my kids. God Bless You Mom and tell Granny I said hello. I know you have found her by now. Love with all my heart your son, Kelly 🙏🙏🍀*
