“ So sorry to hear of your loss. Elwood's father was my great uncle. I always wanted to meet Elwood so much ever since I learned he was my cousin through Ancestry.com. Maybe one day I can meet his family.

“ I was so saddened to hear of Woody's passing from Charlene. When working with my father Teddy and my uncle Chester we used to stop by and visit with Woody whenever we had amassed a supply of extra screws and nails. These were always the most pleasant of visits. I will miss him greatly.
