“ With a heavy heart I send my deepest sympathy. 'Brown' was a dear friend at work for many years. We spent many nights talking of our families. He was always a proud father. Outside of going hunting his next care was those Red Wings! Now that he has moved on the only thing he has left is those he loved and cared for, those are his legacy, I pray that all involved there will continue to make him as proud as I will always remember him. May God bless and keep you all.

“ Chad and his entire family. I am so very sorry for your loss. You are all in my prayers and have such a special place in my heart. I have such great memories of Emery. He always had a smile on his face and always thanked me for being Chad's Sunday school teacher. What I remember most about Emery was how kind he was and how much he loved his family. He was so very proud of Todd and Chad. Chuck and I loved hearing him talk about his sons. Love, Jackie

“ Dear Dad, Your battle is now over; no more pain, no more tears, and no more sorrow. I still do not understand why this had to happen to you, a wonderful father it makes me blue. I know you will always be close to me and looking down with a smile, I only wish you were with me to walk another mile. You were always there for me and never once made me cry, until the day you closed your eyes and told us goodbye. Now you are my Angel, so spread your wings out wide, please wrap them around me when you see me cry. Our time together was memorable and God took you way too fast, the many life time memories will always last. The most precious gift in the world to me; was you being my father, my role model you see. I will always remember our time at the rink, when I'd fly bye you on skates before you could blink; and that smile you gave me as I looked up to you, you would say to me "son I'm proud of you! Dad you are definitely not like the rest, "DAD YOU ARE TRULY THE BEST!!!
