“ Eric was the first friend I felt that I truly had a connection to upon moving to the SVSU campus in 2005. I always have admired his obsessive desire to enjoy and talk about the music that we mutually loved and the music that we didn't, his ideas on philosophy and the constant need to learn new things. Eric was one of the most open and non-judgmental people I've ever met and I am proud to call him my friend. If nothing else, Eric was always the ONE person you could rely on to hang out and “Cheeelllllll.” RIP, Friend.
