“If We Could Bring You Back AgainIf we could bring you back again, For one more hour or day, Weâ??d express all our unspoken love; Weâ??d have countless things to say.If we could bring you back again, Weâ??d say we treasured you, And that your presence in our lives Meant more than we ever knew.If we could bring you back again, To tell you what we should, Youâ??d know how much we miss you now, And if we could, we would.

“ *I am so glad that I was able to reconnect with Erik at our 20 year reunion and to have found a friend in Denise. I have always thought of Erik as a gentle giant and remember times in the halls back at Dondero. Little did I know that he would become a great husband and father and that our paths would intersect again later in life. To Denise, Becca and their family, I am so sorry for your loss. Denise, I am here for you and will be as much as I can for as long as you need/want. My heart breaks with yours.*
