“ An addition to my previous note to make things more clearly concerning the cemetery. We are general caretakers, someone else will make arrangements for the opening and closing of the grave. Our love and prayers are with you today as you near the final hours of homegoing. Ted & Carolyn Huddleston

“ To the family of Erma Carr. We take care of the Smellage/Memory Gardens Cemetery in Putnam county, TN--the final resting place of your beloved. We're also a distant cousin of Darrell. We'll take care of things here, rest assured. Most sincerely, Ted & Carolyn Huddleston
