

Erna Lipinski

October 20, 1928 - April 4, 2020

It is with our heartfelt sadness to inform you of the passing of our Mom, Erna Lipinski.

Mom was married to the love of her life, Ed (deceased 2/4/13) in 1952. She was a loving mother to Diane and Tom (Debbie). Dear Grandma of Jordan and Jenna (Joshua Berry). She outlived her three brothers (Al, Clarence and Bob) and two sisters (Hilda and Edna).

Mom had a full life. She and Dad raised both of us with lots of love and taught us to be independent and to make right choices. They visited California many times to see Diane and had many sightseeing side trips; made trips up North (Michigan) to Tom's cottage. Mom was a terrific cook - sometimes her new dishes were a one and done, but most were very delicious!

She especially enjoyed the 25 years of retirement with Dad. During these years they enjoyed wood crafts (Dad would cut the designs and Mom would paint) and visited many friends. During these times they continued their travels to California, but also added cruises to Hawaii, Alaska and the fall color tour of New England. Don't forget their migration to Florida and the Florida Keys every winter with friends.

Before moving to senior housing, Mom and Dad were active members of St. Basil Church in Eastpointe for over 58 years. Mom was very religious, reading her bible daily. She lived her life to help others. She was a caring person, putting the needs of family, friends and neighbors before her own. Mom moved to a senior independent living home in Shelby Twp. in 2014. She

continued her caring of others there - distributing communion to those that couldn't attend church, starting and being a very active member the Welcoming Committee; she participated in many craft days - generally giving the craft to a new-comer to the community; she enjoyed many day trips - Stoney Creek and Erma's Frozen Custard come to mind.
Interment at Great Lakes National Cemetery, Holly, MI.
Rest in Peace Mom.

“ Aunt Erna would call me every week after my mom's passing and offered many comforting words. I know she was very proud of Tom and Diane. Uncle Eddie and Aunt Erna were made for each other. May she rest in peace and be with her family. Elaine
