“ I met Ernie when he joined the Cadillac Engineering Family , we worked together for a few years maintaining contact after reorganizations and retirements. I will always be thankful for our last telephone contact a few weeks ago, somehow it became a "Face Time" call. Ernie rest in peace my friend.

*My sincere condolences to the Amici Family and Friends, may your loss be comforted by knowing Ernie is now in the arms of his Lord.*

*Howard Marshall*

“ My Families Condolences to Ernies Family and Friends. I worked with Ernie for many years, at Cadillac Engineering, in Detroit. He always had something to say and a smile that always made me wonder, is he pulling my leg? He was an asset to the Cadillac Engineering Team and a valued member of our organization.

“ *I will always remember Ernie fondly as one of the warmest, kindest men I had the pleasure to know. He knew me as a rambunctious teenager, and yet still welcomed me with great hugs as a grown woman. Terri Babes, you've been my tribal sister for almost 30 years - I am sending all my love and sympathy to your and your family, especially Marge and Christopher. May all of you find comfort in the happy memories of easier times, when Ernie (and Danny) were both with you.  
All my love to you, until I wrap my arms around you tomorrow.*

“ Oh my gosh Ernie it's so hard to believe but you are gone already. Never Enough time on this Earth but I sincerely know you are now embracing your wonderful son Danny once again. I have so many fond memories of you and your family and your beautiful wife. I could go on and on. But I guess to sum everything up I would say how blessed I was to be a part of your family. You, Marilyn, me and Margie the talk for hours in the kitchen over there on Eastwood figuring out all the problems of the world! You helped me get my first car and make sure it was in Tip-Top shape when I got it from Uncle Riggo (spelled wrong lol). Then it was time to buy my other car once again you took care of me. I enjoyed every minute I've sharing in your life and that of your family for so many years. May you rest in peace now in the arms of Our Lord preparing a spot for the rest of us. Thank you for all the wonderful memories growing up in learning many of life's lessons from you and your wonderful wife. True commitment to love and Marriage.
