“ Diane, Stuart, and Mike... I am sorry to hear about the loss of Ernie. Although I never met him, you talked about him so that I felt I knew him a little bit. You are all in my prayers. Love, Betty

“ My husband, Jack and I have such wonderful memories of times spent with Ernie. Whether he was visiting us here in Florida or we were visiting in Michigan, we had a really good time in his company. He always showed an interest in how our kids were doing and had bought them some Red Wings collectables when they were young. I especially remember how he would faithfully send my husband and me a card on our wedding anniversary. He was so proud of his sons and he loved his wife. Thanks for the memories, Ernie. You will be missed.

“ My family and I will sorely miss Ernie. He has been a heart felt friend for many years. We have had a lot of fun over the years experiencing sporting events and just plain old get togethers and talking about family and friends. I was looking forward to seeing him this August for the Dream Cruise as we have done in the past. We will miss you my friend but you will never be forgotten. Jack Kaselitz
