Ernest Louis Sheldon

Ernie, Louis, Rusty, The Major, and Dad

Rusty, a faithful, protective, and loving husband of Ruth Sheldon for 73 years, will be missed greatly. The love they have for each other was evident and the Christian Tenets they lived by will be the legacy for their children, grandchildren and great-grandchildren. He was a great man.

Rusty Sheldon, born on December 5, 1921, went to his heavenly home to be with His Savior and Lord on January 26, 2016 at the age of 94. He will be greeted there by his precious grandchildren; Andrew, John, and Rachel Sheldon and also Jack Thomas, his parents, brothers, Jack and Dick, and sister Melba. His family, who has surrounded Dad/Grandpa with prayers of comfort and peace, now await a joyous reunion in heaven. Remembering The Major with great love and appreciation are his children, David A.(Sue) Sheldon, Carol A. Sheldon, Dr. Mark E. (Patricia) Sheldon, Rev. Barry (Kathy) Sheldon, Gregory (Terri) Sheldon, and Timothy (Janet) Sheldon. Papa, a wonderful, loving and fun grandfather, will be remembered by his grandchildren: Stephanie (Sean), Ryan (Michelle), Philip (Mikan), Jeremy (Jenny), Carie (Ben), Andrea (Aaron), Sarah, Kristin (David), Melissa (Keith), Lesley (Matt), Peter (Rachel), Paul (Heather), Erik, Evan, Kyle (Corryne), Lauren (Craig), Kerrin (Elaine), and Nolan (Alexis). The great-grandchildren: Leah, Libby, Hannah, Abby, Zach, Noah, Josie, Connor, Jaiden, Julian, Trinity, Teagan, Fiona, Dylan, Avery, Drew, Maggie, Ryan, Sophia, Stella, Mark,

Paige, Jake, Henry, Samuel, Emeline, Peter, and Timothy, will continue to enjoy the many stories and lessons from their great-grandfather.

Ernest Louis was born in Johnstown, PA. to John and Melba Sheldon, the oldest of 9 children. He joined the Army at the age of 18 and began his career in the Army Air Force. After meeting at the USO in Columbus, Indiana, Rusty was determined to see Ruth again. He did, and they were married July 18, 1943. Many letters passed between them while Rusty served in the 36th division, 141st infantry division from Texas with artillery and reconnaissance expertise. He participated and, by God's grace, survived very difficult battles: which include the Rapido River crossing in Anzio, Monte Casino, and the lost battalion battle. he came home to his pretty wife, Ruthie and had a blessed life. He decided to become a Lutheran, for most of his career. Mr. Sheldon enjoyed his job and service to the Christian church and schools. And after work, Dad would find the time to line his six kids up to keep them in line. Mom was thankful for this, Dad and Mom taught their children life lessons, often by example. R and R were a championship team. The integrity, faithfulness, trust, and love from them both were evident and all of his children appreciate the strong foundation we have been given. We all look to the future when we will be reunited through faith in Christ.

“ We were a family of four girls, and each of us have wonderful memories of Mr. Sheldon (I can't call him anything else, either!) We were "the Recknagel Girls." Nancy was the oldest, then Susan, Karen and me, Joann. He was a wonderful teacher!! He taught all the basics, plus different subjects each year. I remember very well when he taught Karen's class some judo (well, all the martial arts were called judo back then)--and she came home and practiced on me--flipped me right into the sofa! I was sorry he didn't teach my class judo, but there were so many other wonderful things to learn from him. I'm sure he will be missed by all who knew him.

“ Uncle Rusty was my sponsor for baptism. As one of the younger 'Steiner 7' I have many childhood memories of time spent with the Sheldon kids in Detroit. Uncle Rusty was always a kind, loving person in my mind. After our family moved we lost touch over the years. But my thoughts and prayers are with your family during this time.

“ Tributes from Ernest (Rusty) Sheldon’s 1954 Class at Bethany Lutheran Church:

Judy (Schewe) Roberts: He was my favorite teacher. I can remember so many of the things he taught us. Do any of you remember the classroom baseball game we played? Was it for spelling?

Lois (Schiller) Moots: How much we girls loved and respected him! Yes, it was a spelling baseball game we enjoyed. I can't quite imagine 8th graders getting into it today, however. Jerry and I will be at the viewing and/or the funeral.

Richard Knee: I remember him very well. Our prayers for family and friends. He made a great impact on the world as a teacher. RIP Rusty and God Bless!

Art Arduin: He was a good man and an excellent role model!

Dick Rhode: Our prayers go out to the Sheldon family. Rusty was an exceptional role model and one that lead me to a career as a teacher.

Carol (Schultz) Edmunds: I remember how impressed my mother was when my brother was being bullied and Mr Sheldon worked with him after school to teach him to box. I think the caring contact with this wonderful man was as valuable as whatever techniques of self-defense he learned.

Dan Kunert: As a retired teacher and principal, at both the elementary and secondary school level, Mr Sheldon (I'm sorry but I was never able to call him by any other name!) was a powerful and positive influence in my life. I thank my Lord that he was there to play such a role in our lives. And I still remember him coming to be with us in church when our class (the class of 1954 and, I believe, the only class that ever had him for two straight years at Bethany)

celebrated in 2004 the 50th anniversary of our graduation from Bethany. He remembered all of us.....by name!

Linda (Maschhoff) Clark: I read his obit in the Detroit Free Press this AM. Hard to believe he was 94, but then I can't believe that I'm 75! He was a great teacher and all the girls were infatuated with him. Blessings to all of the family. I plan to go to the funeral.
