“ *We have had the pleasure of knowing Ernie since Geoff and Sheila were dating. His quiet, giving manner was consistent and beautiful to watch. He welcomed our Geoff into his family, and Geoff grew to love him dearly. He was Geoff's other Dad! Our visits with our "Michigan kids" rarely were without a visit with Ernie; and never did he arrive empty handed! The counter tops were filled with bags and baskets of vegetables and goodies. A fond memory of Ernie was when we still lived in Michigan and our dog, Balinor, ran away for two days. Our family was so worried about our crazy, lovable furry family member! Ernie and Sheila drove from subdivision to subdivision helping with the search. What a relief when they knocked on our door with the dog in-hand. That was the first time Ernie visited our home. The homecoming of Balinor was wonderful; having Ernie spend some time in our home was an honor. His love for his family and country was a gift to all who had the honor of knowing him. He was loved and will be missed.*

“ *Ernie Wall, my Father In Law, was a very proud man. He'd beam with pride as he'd humbly recollect and share his Army experiences. I later found out he had been awarded the PURPLE HEART. Ernie, you will be missed.*
