“*I worked with Ernie many years ago when he worked in the repair shop at Vickers. He was a nice, funny gentleman. I remember he used to tell me people thought he was Bowser from some singing group. I hope he went to heaven peacefully.*”

“*I know Ingrid and have seen pictures of the four brothers and sisters. Please share with them my condolences. As I told Ingrid, we are 14th cousins, twice removed, with our last common ancestor one who lived in the 1400s. So we are really distant relatives.*”
