“ My Granny Good Witch, how I am going to miss you. You have given me so many memories that I will hold dear to my heart and hope to pass on to my children. You also gave me knowledge, strength, love, your body type and yes your stubbornness, none of these I regret. I know that you were greeted by Grandpa, Mom, Dad, Tim. Your Mom is there waiting to hug you and show you love. Please give them my love and tell them I miss them. I know you will be another angel watching over me. When I make chicken 'n' dumplins you will be there to guide me. I Love You with All My Heart
