“ *Dear Mrs. Purcell, Jim, Sam and family, I am deeply saddened to hear the news of Ethel's passing. My heart goes out to you and my prayers are with you and your families. I know she will be deeply missed by all who knew and loved her. Ethel was a beautiful person, inside and out and I treasure the memories I have of her. She was my childhood best friend and although we lost touch over the years, I have many fond memories of our times together: sleepovers, riding our bikes, Jimmy's constant teasing... The last time I saw her was at a class reunion a few years ago. She was so happy and had found her soulmate-Sam. She was just glowing. She touched my heart as she has so many over the years and I will never forget her. My deepest condolences, Dorothy Lindeman*

“ Dear Sam & Family, I knew Ethel many years ago, when we worked at Contract Interiors. She was one of those people you never forget. She taught me so much and was a wonderful friend and mentor.
