“ On behalf of the entire Phillips Family, I would like to thank all of you who came by the funeral home to visit with us, for your flowers and hugs, and for these touching remarks shared in the memorial website. We especially were touched by those who traveled so far to be with us. We have heard from so many of you via our personal Facebook pages and through emails. While Mom's passing was unexpected, we knew she missed our Dad deeply and longed to be with him again. On a personal note, I would like to thank my sister Neena who cared tenderly for my parents in her home for several years, and for Jim who watched over Mom the past 11 months. Several times over the funeral weekend, Jim said to us how thankful he was to have had the privilege of caring for her and coming to love and appreciate her more than ever. We hope to all be remembered as fondly as our parents have been, and especially thank our Dad who tenderly taught us charity and forgiveness. Kind regards, Laurie

“ Tom and Ethel Phillips were the kindest people I've ever met. They filled in when my grandparents passed away and left me feeling loved and needed each time I saw them. I will miss them both. God bless the Phillips family; one and all. With love and deepest sympathies, the Burman family

“ We have known Ethel for a short time. Her love of life and her family was obvious with her easy laughter. Our trips to the theater organ concerts were filled with stories and laughter. Peace to all Dave & Elaine

“ I am so sorry for your loss. How I am going to miss her. She was such a wonderful person, and would share anything she had. She gave me the desire to keep up with the French Family History. I love you Ethel. Rest in Peace. Lydia
