“ Uncle Eugene was a great man. I appreciate the time he and aunt madeline took to come down and see me graduate high school in 2005. I just wished that I could have seen him more often. I will miss him terribly, but I know that he is in a better place. I love you Uncle Eugene.

“ Aunt Madeline, Gail, Debbie, Gene and family, My heart is heavy at the loss of Uncle Gene but I know he is now with the Lord in a place where there is no pain or suffering. I know age and miles drift families apart but Uncle Gene and you guys always held a special place in my heart. He was such a sweet uncle to me and I will miss him dearly. I have many fond memories of visits our families shared. Nine people and 3 dogs in a 900 sq. ft. house; sleeping on the floor; uncontrollable laughing; home videos and my hair in the morning!! I will cherish those memories. You're in my thoughts and prayers as you go through this difficult time. Love all of you! Lou, Freddie & Alison
