“ Michelle, Wendy, Jason I am so sorry, my condolences to all of you. I am so glad I had a chance to talk with him at your mom's funeral. He even had me laughing as we looked over the pictures and he reminded me of what a hippie he was. RIP Gene.

“ Gene always called me Pudge, that was my nickname. Such an incredible friend to my dad and mom, Maryann and Al Karafa. When I came to Dolly's funeral he saw me come in and there was such a wonderful smile on his face . As. I went to him his weak body nearly ran to encompass me in gene hug. Although the actual hug was much weaker than his normal bear hug I did feel the bear hug. Life separated us. But Gene picked up where we left off. We had a wonderful talk. He will always remain in my heart as Uncle Gene as I hope, I remain in his heart as Pudge. God bless your entire family loosing your parents is one of the most heart wrenching experiences in life. Good Luck
