“ Oh my. Dr. Hawthorne was my dentist for years. I have fillings that are over 45-50 years old and are still intact! He was kind and wonderful to me. Made me feel pretty, smart and special, which is so important to a young girl with a birth defect. I will never forget him. My deepest sorrow to hear of his passing. Best of wishes for comfort and peace to his loved ones.

“ I was Mr Hawthorne's caregiver for 3 years. I enjoyed taking BJ and Missy for their walks with him in the park. I also enjoyed taking him up north. He was a character and I really liked spending time with him and Mrs. Hawthorne.
