“ I remember when the war ended and Leo and Eugene stopped at our home. I always admired all of you and will now add Gene to my prayers. God Bless him.

“ Lou and I are very sorry we were out of town at the time of my cousin, Eugene's death. We would surely have attended his funeral. He left a quiet, lasting impression. Always recognizing me with that smile even though it was so infrequently that I saw him. I know that God is welcoming him with abundant blessings.

“ Diane and I send our prayers and thoughts to the family. Gene was a special person making deep footprints thru many lives. He was in service to his Lord all his life. He made lasting impressions in our families lives. I had the pleasure of working with him over 35 years. His work is done here on earth. He receives his heavenly reward.
