

Eugene M. Schoenherr

May 10, 1958 - April 30, 2022

Eugene “Gene” Schoenherr, of Shelby Township, passed away on April 30, 2022, at the age of 63. Gene, the cherished husband of Lori Schoenherr; the loving father of Sarah and Michael (Amber); the adored Grandpa of Brody, Sloane, and Mila; the beloved brother of Ann (Dave) Schweiger, Paul Schoenherr, Michael (Diane) Schoenherr, Anthony (Julie) Schoenherr, the late Theresa (Jay) Toomey, the late David (Margie) Briggs; the dear son-in-law of Basil Briggs, and the late Sandra Briggs. Gene also leaves behind many Godchildren, nieces, nephews and cousins who will miss him dearly. Gene is preceded in death by his parents, Eugene J. and Bernadette.

“Grandpa always said, family comes first” and that was important to Gene. His grandchildren had a special place in his heart. He was known as a jokester to all the kids and could tell a good story. He had a heart of gold and was always willing to help with whatever he could.

Gene graduated from Stevenson High School in 1976. He continued his education with night classes at Macomb Community College and then completed his schooling at Lawrence Tech, where he received a Bachelor of Science degree in Mechanical Engineering. After more than 30 years working for Chrysler, Gene retired in 2020.

True to the engineer form, Gene could fix just about anything and liked making things in his woodworking shop. He was a wine connoisseur and enjoyed making his own wine. Gene had a love for the outdoors. A few of his favorite pastimes were hunting, fishing, camping, golfing and hockey. He ultimately

enjoyed spending time with family at the cabin in Lewiston.

Gene was a man of faith. Traditions were important to him. He strived to follow in his father's footsteps and words of wisdom.

“ We can not express the amount of joy that Gene, Lori and the family has blessed us with many years of camping together. Working together with Gene at SK and Defiance, Gene taught us how to work hard, play hard and the importance of family. Gene’s infectious smile will be missed.

“ Lori and family,

Words cannot express my shock and sadness at your loss. Gene will be missed by all that knew him. He was a great mentor to others including his children, grandchildren, nephews, co-workers and friends. He would go out of his way to help anyone whether asked or not. He was a calm and rational rock that others could depend on. His love of family and nature is well known. You are all in my thoughts and prayers.

“ Lori and family, I am so sorry for your loss. I've worked with Gene for many years in Vehicle Safety. He was the glue that held our group together, not just with his words of wisdom and his kind way of saying things that need to be said, but by also running our bowling and picnic events to make sure we all had some fun times. He always lit up so when he talked about hunting and time with family, and made everyone feel so valued when he spoke with you. I am blessed to have known him and consider him a great mentor in how to live a full life. He will sorely be missed. Your family is in our thoughts and prayers during this time of sorrow. - Mary

“ *Lori and Family,
We were so sad to hear of Gene’s passing.
Gene and I were friends for 40+ years, first meeting at Lamb,
moving to SK, and eventually working together at Chrysler for many
years. We always enjoyed playing softball on the SK team in Troy
and Liberty Park, where we won a few championships along the
way. I always looked forward to our annual draft for the Red Wings
games when he & I would catch up. Gene was a great person, and
we feel blessed to have known him. Shelly & I are keeping you and
the entire Schoenherr family close in our thoughts and prayers
during this time of sorrow. Mark & Shelly*

“ *I have known Gene & Lori since Lori was my roommate at Oakland University. Our kids grew up together. We shared many vacations up north at our place on Douglas Lake not far from the Schoenherr family cabin. I remember that Gene used to talk to the kids in his own language he made up. That made the kids laugh so hard, We adults had so much fun playing cards & games after the kids went to bed. He took my son on his first deer hunting trip because no one in my family was a hunter. My son enjoyed talking deer hunting with Gene & Mike. Even though we all got busy raising families & working - we could always get together with Gene & Lori & it was as if no time had gone by. My heart goes out to Lori, the kids & the whole Schoenherr family, Gene will be greatly missed. He was a wonderful friend.*

“ I met Gene at Oakland University when he was dating my friend Lori who lived on the floor above me. He was lots of fun then and that trait never left him. We vacationed a lot when our children were young and we usually gathered together with our dear friends at Christmas in the years that followed. A finer family man would be hard to find and I know the heartache this loss means to all of the greater Schoenherr family. You could always count on Gene to help with whatever needed to be done. He could fix almost anything. His gift was not just in helping people, but also giving you the reassurance that you weren't in it alone, whatever the issue was. Gene took on huge burdens of caring for his family and friends and did it with class. There probably won't be anyone at his funeral that he didn't help in some way. I can only imagine that Jesus needed something fixed and called home his good and faithful servant. It must be a big job so we will somehow let him go. I'm grateful to call him my friend.

“ I worked closely with Gene developing frame design at Jeep Truck and CTC for Chrysler. He was a pleasure to collaborate with and we were like minded when it came to our approach to development. We had a lot of successes over the years and sold him some of my wine shelves to support his hobby of making his own wine! My deepest sympathy goes out to his large family and I'm sure huge group of friends as he will be sorely missed.

*Lori and the entire Schoenherr family,
As you know, I just saw Gene at the RW hockey game last week. It was so good to see him and chat with him during the game. We reminisced about the Lamb and SK days, now over 30 years ago. The Hockey Club has kept us connected through email and the occasional "game pick" meetings we would have each year at a local establishment. When I sat down in front of Gene at the game, at first we didn't recognize each other. When Gene said "Jay!" I first wondered who was calling my name. I turned around and he said "You know me!." It was like the Peter Pan movie when the "lost boys" finally recognized Peter (Robin Williams). Looking through the years on his face and grayer hair it came to me, Gene! I am so glad we had a chance to meet and talk. I will send you the pictures we took at the game. Love and Prayers, Jay and Sue*

*Lori and Family,
For over 30 years, we've had a Schoenherr family connection, starting with my sister working with Gene at Lamb, then Jim working with Gene (and Jay Meldrum) at SK in the 80's, and finally Lori and Jim together at GM. You were invited to our wedding, we've witnessed the growth of our families, and please know we'll be there for whatever else you need in the future. Love and Prayers to you and yours, Jim and Diane*

I have known Gene for more than 15 years. He was a wonderful colleague to work with, and I was shocked to hear the news. He is a very nice person both on and off work and we always enjoyed having conversations about work and family. I had great respect for him both as a colleague and as a friend. He will be missed very much. I offer my deepest condolences to Gene's family and friends.
