“ One of the best memories I have of grandma is traveling with her. We traveled many places together. Arizona is the state grandma and I have have traveled to most together. Grandma never went to Arizona without me 🤔 However the best trip was getting her there for my dad's 70th birthday. She supported my insanity of that plan and stayed super strong to make what ended being her last big traveling adventure. She truly was someone to admire. ❤️❤️❤️

“ Memory being shared on behalf of my dad. Her kids got her out of where she was staying at the time and brought her home and out to dinner that day. When I saw grandma in August. She told me this story to a T. She told me how she would never forget those giant balloons. May 2 2018.
