“ *My sweet Eva you have been the best Mother in-law and granny to my kids thank you for all the love you have gracefully spread to everyone who has met you!! I will always remember how you were my favorite cheerleader when it came to your son giving me a hard time which was always in great fun❤️ I'm so very happy that you are in heaven surrounded by all your family that you have missed for years. Even though you will be greatly missed, all the times we were together will live on with all of us. I love you so much and please watch over us all and keep us safe❤️🙏❤️*

*My love forever,

“ *Eva has been a part of my life since 1962 when Sandy and I became best friends. I grew up with this family and Eva was a second Mother to me. She was a very kind and caring person with a heart of gold. She always made me feel like I belonged to her family treated me like one of her own. We shared a close relationship all these years and I loved her very much. I know God got a very special angel when Eva went home.*

She will be missed.

With love

“ *Mrs. Gross was always so very kind to me while her son Bob and I were growing up. She gave us rides to school in the mornings when it was cold. She helped me define the word "Hospitality" as an adult. I grew up having a deep respect for people who exhibited kindness to others, because of her. You'll be missed Mrs. Gross. Rest in peace.*
