“ Bill Bradley again I just found out the family requested donations to MICHAEL J. FOX FOUNDATION. So I have just made a donation in Evelyn's name. My father died of Parkenson so I understand what it does to a family.

“ Evelyn and I pformed in Ridgedale's "Forum"s 1974-75 season as Domina I (Bill Bradley) as Lycus which as the begining of a long friendship. She was a lovely and funny lady and I am glad I knew her. We acted together in other musicals and shows at Ridgedale. I will be making a gift to Red cross in her memory.

“ Nancy, I am so sorry. I wish there were words I could say to make it all right and to take away your grief. There are none, as you say you will miss her everyday and that is a given. But know that there are a lot of people out here who are saying a prayer and holding you tight in their thoughts. Love and miss you.

“ Such a lovely lady who shared my love of music. We traded CD's of the groups we sing in, and she sent me such a wonderful note the year my chorus sang in Detroit and she attended. We singers always say that those that pass on are joining a wonderful chorus up in heaven, and I know Evelyn will be a happy addition to that group. My special condolences to Nancy who saw her mom through these last difficult years and did so much to assist her through her struggles to ensure she was not alone and was well-attended to.
