“ To Joyce & Ken, I loved your Mom she was the neatest youngest acting Lady I have been blessed to know. We had shared so many special times together. I will truly miss her! We didn't see each other as often as we used to after she met Larry. He was such a delight I was blessed to meet him, for dinner a couple times. A special gentleman and they travelled and enjoyed so much together. One thing I will always say your Mom lived life to the fullest she seemed to just love people and everything she did. She was a great person. She loved her doggie, also. She just loved you children so much and always talked about her Grandchildren whenever we got together. One Great Lady in my book!! .
