“ *I will never forget meeting Fabs and Jorge in the year 2000 when we moved to Knollcrest Drive in Clermont Florida. We all were very close for over 2 years, and spent many hours together eating and just visiting with Maria Jeff Alex Amelina and Geo. I had ceviche for the first time when Fabs made it for me and it was delicious. Everything she cooked was yummy, once I fell down checking the mail and her and Jorge took me in and cleaned and bandaged up my knee. I will never forget this loving family.*
