“ Condolences to Faustin's family. Faustin one guy who will help strangers keeping his priorities aside. I hardly knew him for couple of months, when I was sick , he postponed his own medical appointment, he accompanies me ,takes me to the doctor, stays with me in the waiting room till the doctor saw me. Could never imagine any body could do this.Hats off Faustin and your smile will never be forgotten.

“ We may not have been close in the "real world," but I always enjoyed running into Faustin at Luna and Orchid. He was so kind...always happy and smiling. He danced hard and inspired me to do the same. I'll miss him dearly. Faustin was a bright, shining, beautiful soul and I'm so sorry that his family has to deal with this tragic loss. Sending wishes for peace and comfort as you carry on.
