“ Dear Coffman Family, When I returned to work on Wed, I learned of your mothers passing. I was so sorry that I missed the opportunity to say my goodbye to her. But I surely will remember her fondly. We lost a wonderful person at American House this past week and our building is feeling her loss. I was always amazed at her zest for life, her willingness to help at any chance she could, the sound of her laugh when she was tickled by something funny, and most of all her courage at the end. This is a great loss for your family and I will keep you in my prayers in the weeks ahead. When you lose your mother, I think this is the hardest loss of all. She was just the best, it will take her other family at American House a long time to process. Be well, I am happy now that she is with your father and brother. with love, Denise Vaden Hair salon at American House

“ Dear Coffman Family, I am sorry for your loss. I will miss Flo. She was such a wonderful woman. She smiled and was always very cheerful. She was such a big encouragement to me and I will always remember how much she would praise me for chasing a dream. She knew I loved to write and so she would always be interested in reading the things I wrote. She always had such nice things to say about everything I gave her to read. I will miss seeing her at American House. I will miss that smile and her spunk. You are all in my prayers.

“ Mrs. Coffman. That is the name that Pam, Brenda, and I called her from kindergarten until January 12, 2013. Mrs. Coffman always made us feel welcomed in her home, we were all happy to be around her, and we all admired her love for life, family, and the joy and happiness that she found in everyday living. She was a wonderful woman that we will never forget. We were blessed that we knew her.

“ Dear Coffman family, I am so sorry for your sudden loss. Flo was a special person in my life. She was friends for a number of years with my grandmother in the woman's club. It was after she joined our church that I got to know her. She would always hug me on Sunday mornings and ask about my grandmother. She was a very dear woman whom I admired. Regretfully, I will be out of town and will not be able to attend her funeral. My deepest sympathies and may God comfort you during this difficult time. Prayers to you all. Susan Adams

“ Poochie was just the greatest. She will be missed greatly. Always loved seeing her when I would crash the Coffman parties. She was so sweet. Always a smile for everyone. I'm sure right now she is having a reunion in heaven.

“ I have never met anyone quite like Poochie and never will again. She was like a flower that kept on blooming never wilting. She was the sunshine on a day with no sun and a mom figure to everyone that ever met her, she was everything a person could hope to be and had a sense of humor that no one i know could compare to. I love her dearly and even though i didn't get to see her as much as i wish i could have i knew if i needed her she would have been there for me , just like her daughter Kathy so Poochie you will be sorely missed but not ever, ever forgotten and i know my mom will have a really good friend up there to have a good chuckle with just like we all have. Love you Poochie xxxooo

“ Flo will be greatly missed by everyone at American House Troy. We all loved her! She always had a smile on her face and never had a negative thing to say. I know she is in heaven wrapped in the arms of her loving husband whom she missed greatly.
