“ *Hi All: You had a special loving mother who did so much for others. Some time before 1982 when my mother died, she came over and stayed with her once a month, and missed her own Thursday Growth Meeting, so I could go to my Pinochle Club. There are many things I could tell- She was just wonderful in so many ways, and it leaves memories for many people. Memories are like Starlight; they last forever. Peggy Gill*

“ I have know Florence since about 1990 and she has been such a great friend to Katie and me. She and John had such a great relationship with my daughter Katie. They took her under their wings in 1992 when she was in kindergarten, letting her spend two nights a week at their house so she could go to Girl Scouts and Beginner Choir at church. They were such warm loving people. Katie and I are going to miss her a lot.
