“ We’ve been neighbors with Ms. Florence for over 16 years. We were blessed by her bright spirit and kind heart. The kids were young when we moved in and connected with her as a bonus grandma. She brought them gifts and treats on holidays and birthdays. She was proud to have hired them for their “first job” mowing her lawn. She looked out for her neighbors. Ms. Florence was easy to talk to, speaking kindly of everyone. Her pride and joy was her family. Our condolences to all of her family. She was special and we will miss her dearly.

“ Special is the word that comes to mind when I remember my Aunt Florence.
Although we have been far away for many years and have not seen her that often, I still remember the fun times we had together in Utica and her wonderful laugh,
Our sincere condolences to the entire family upon your loss,
She is now back with the love of her life, who has been saving up loads of his best jokes to share with her!
