“ My Dearest Chris, Susie & Lisa, I wanted to tell all of you how proud I am for the way that you supported your mother in her final days, hours and minutes. I can honestly tell each of you that I do understand how you feel since I also lost a "mother". Even though she was my mother-in-law, she meant the world to me and I will dearly miss her. Now more than ever it is important that all of you realize how much you were loved and how much you all need each other! This time has brought each of you closer together in your own way, some good, some not so good, but for a reason. If there is one purpose of why this happened, I truly believe it was/has made each of you stronger individually and as a family! I will always be here for you, all of you, if you need to talk or just a shoulder to cry on. I love all of you! Dina.

It seems like it was just yesterday that I was spending the night at your house, talking all night, trying to be cool like Lisa and teasing Chris. Your mom was the best!! Please give my condolences to your entire family. Love, Lisa Davis
