

Florence P. Seibert

April 25, 1923 - July 18, 2019

Florence P. Seibert, age 96, passed away July 18, 2019. Born in Bennett, Wisconsin, she lived nearly all of her life in Berkley. Florence was kind, compassionate, loving and had a wonderful sense of humor. She loved to read, especially who-done-its, and playing bridge with friends. The consummate homemaker, Florence believed in providing three meals a day to her six children and husband, Paul. Following her high school graduation from St. Mary's Royal Oak, she worked at Standard Accident Insurance on Masonic Street in Detroit. After her children were older, Florence was an employee at J.L. Hudson at Northland Mall and later worked for Hohner's Wallcoverings. Hence, for many years, if she gave you a gift, it was wrapped in wallpaper. Florence was always her children's champion and lived for time spent entertaining her extended family at holidays, birthdays and impromptu happy hours. A wonderful grandmother, she played wiffleball, cards and a mean game of Boggle with her grandchildren. Florence was a great and loyal friend who held dear the many lifelong friendships that began in elementary and high school.

Florence is the beloved wife of the late Paul. Loving mother of James (Susan) Seibert, Mark Seibert, Elaine (John) Davis, Kathryn (Ron) Schroeder, Patricia (Barry) Cowan, and Sallie (Wendell Conner) Seibert. Grandmother of six and great-grandmother of six. Funeral Mass Monday, July 22, 10 a.m. (in state at 9:30) at St. Mary Catholic Church, 730 S. Lafayette Ave., Royal Oak.

Memorial contributions can be directed to St. Mary Church in Royal Oak.

“ *Mrs Seibert as we called her kuved across the street from us growing up on buckingham. She was always so calm and happy. All those kids and I can never recall her having a sad or mad face ever. We were so fortunate to have such a wonderful family across the street from us. So very sorry for your loss.*

“ Dear Florence, I will miss your sweet smile and friendly chats we had over the years. Your stories of your travels and keeping me updated on your family and me keeping you updated on mine were conversations of joy to each of us. I will miss bringing you "johnny cake" in the winter and having you watch me cross the road even though I am a grown woman you still wanted to make sure I was safely in the house before you closed your door even when you could not see well you would watch. Your presence will be missed more than anyone will know and especially by your children. God speed and be with your Paul who has waited for you to come be with him. Love and hugs. I miss you already.
