“ Hi Linda & Family, We are so sorry to hear of your Mom's passing away. We heard about it through last Sunday's Church Forum, and we're sorry that we didn't know about it until we read about it in the Forum. We have many happy memories of her, your Dad, and the rest of the family. On the day that your Mom passed away, we were at Virginia's cousin's funeral. Her Cousin was 69, and passed away from cirosis of the livereven though she wasn't a heavy drinker. She also was diabetic for many years, and some of her vital organs were shutting down. May God bless you and the rest of the family, and help all of you to get through this most difficult time. Thoughts and prayers are with all of you. Take care. Love & Hugs, Virginia & Tony Detroyer & Family

“ Sorry to hear about Florence's passing, she was a wonderful wife, mother and member of her community. The Scherpereel family always enjoyed the visits with Florence and Harvey in South Bend or when we visited our "Detroit" relatives. She was a joy to be with and although she had many things happen in her life that whould be devastating to many she always was positive and met life with a smile. People like her are rare and we and her family will miss her. Our prayers are with her family.

“ Flo....you were so special. The very first day I saw you at Magahay, I felt your goodness. Not just good, but you were so hardworking, doing so much for everyone, not only at school, but for your family and friends. You never stopped being busy. Oh, and the food you cooked. You and Harvey meant so much to George and me. You know how much I loved you. My tears are in the way right now. My dear, rest in peace, and I will never ever forget you...Becky
