I am so EXTREMELY sorry to hear about Bucks passing! I have known him for many years and he has always been a very nice man! My name is Sandy and I've taken care of his dogs for years now. I was trying to call him to schedule Buttons grooming appointment and haven't been able to reach him. I looked him up online thinking maybe I had written the wrong number down because I'm at home and saw the obituary.... my condolences to his family and if you need anything with Buttons don't hesitate to reach out. (tailor made grooming) I will miss seeing him!

Bucky, while you're gone from this earth, you are not gone from my heart. Fond memories of us growing up and riding our bikes down the hills that were to become I-94 and eating chips at Better Made. Love you Cuz.
