“ So sorry to hear about your mothers passing. My sympathy to all the family . May she find comfort and eternal rest with your father. Your parents are together again, and in peace without pain or suffering. My wish for all of you is to have the strength to get through this painful time and the days ahead. My love to all of you . I am so sorry that I couldn't be with you at this difficult time, but know that I am in heart and soul. Your cousin always, Sharon Petrella.

“ My sympathy to the family. When someone we love dies the pain and grief can seem unbearable. Recall pleasant memories you shared with your loved one. May you draw close to God in prayer and he will sustain you.-Psalms 55:22

“ I have many memories of Fran, but one that sticks out is when she taught me how to play poker when I was in my late teens. Chris went over to her place one day and we sat and played cards for a while. Still to this day, I hear her voice and lessons in my head whenever I play. She was a great lady. She will be missed.
