“ Mom, I will miss you until the day we meet again. You were always there for me after school, when I scraped a knee, and when I needed help on that paper due the next day. I know that you and dad are looking down on us now, praying we follow your example. Rest in peace - all of us will certainly miss you. Love always...

“ Rick and family, I am so sorry for your loss. Fran was such a sweet, sweet woman. : I always enjoyed her company, even though I only met her a few years ago. She is definitely your Guardian Angel from Heaven and will watch over you all and protect you. Love, Judie

Judie - March 25, 2015 at 12:00 AM

“ *Grandma, I will miss the days when I was younger coming over to visit you & Grandpa. All the little things you did, I remember. All the things you said, I remember. You will always be a special part of my life that I will cherish dearly. My you rest in peace with God and his angels, I Love You.*
